### IPM SYMPOSIUM V - April 4-6, 2006

Steering Committee Conference Call Minutes from March 19, 2005. Please note any revisions/omissions to Tom Green, ipmworks@ipminstitute.org

Participating: Paul Nestor, Jennifer Vollmer, Elaine Wolff, Tom Green

1. Program – Five session submissions in to date and at least a dozen more in the works. Elaine will circulate another reminder before the deadline. Elaine has reserved a space for a group lunch on Tuesday following the plenary. Program committee will be meeting again before our next call.
2. Exhibits/Finance – Elaine has received contributions from IPM Centers and General Mills. She will send Tom a form she would like to have returned with the contributions for him to circulate to other committee members and potential sponsors. Tom to add details re exhibit opportunities, levels of funding, etc. Tom to draw up sketch of exhibit locations (no pipe and drape planned) after visit to facility next month. Locations will include along walls in pre-function/continental breakfast area and same in poster/reception area – need to discuss table length, spacing with hotel rep to finalize number and position for layout.
3. Posters – Committee will need extra hands next fall to sort out abstract submissions, etc. Tom has a list of volunteers we will recruit from.
4. Next call scheduled for Thursday, April 21, 10:30 Central, and every third Thursday of the month thereafter.
